

The new A5 Cabriolet

Audi A5 Cabriolet

The convertible coupé redefined

With the Audi A5 Cabriolet, freedom takes on an entirely new meaning, combining a sporty character and the exhilaration of open-top driving with refined comfort and impressive everyday practicality.

The A5 Cabriolet opens up a multitude of possibilities for the discerning driver. Agility and comfort harmonise perfectly and turn every drive into something to cherish. While like all open-top Audi models, the new A5 Cabriolet has a classic fabric top – which endows it with a striking silhouette of dynamic elegance. Lightweight and fast, the roof system folds down so efficiently that very little trunk space is taken up – leaving an impressive 320 litres of storage volume.

In addition, this prestigious convertible coupé offers optional head-level heating and solar reflecting leather seats for greatly enhanced levels of comfort regardless of the weather conditions.

Under the bonnet, Audi's advanced FSI® petrol technology, and TDI® performance diesel technology engines deliver powerful performance and benchmark fuel efficiency whether you are driving on the open road or a busy city street. While quattro® permanent all-wheel drive and S tronic transmission provide exceptional grip and control, dynamic agility and smooth transfer of power.

The new A5 cabriolet is the convertible coupé redefined – and open top driving is no longer a compromise.

Model	2.0 TFSI quattro S tronic	3.0 TDI quattro S tronic	3.2 FSI quattro S tronic

• = Standard equipment * = Optional equipment, Manufacturer's List Price shown NCO = No Cost option

*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from January 2010 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

#Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

**Audi music interface connector cable must be purchased separately through Audi Genuine Accessories

***Phone cradle must be purchased separately. Please check with your Audi dealer for phone cradle availability and approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.

An overseas model Audi A5 Cabriolet 3.0 TDI is shown with optional metallic paint, 19" alloy wheels, heated and ventilated comfort front seats with neck level heating and Bang & Olufsen sound system.
